

*Restoring Families by Ending Addiction through the power of Jesus Christ.*

My name is Colby. In 2018 I relapsed. I was just going through life, talking to God about what was going to be my rock bottom this time. I knew He was the truth and the way, that He had a much better life for me, but I just couldn't break through. Everybody was just leaving me alone, my family, my boss and co-workers. I drank everyday, just not at work.

My daughter was participating in a Dance Competition and I wanted to be there, sober... sober for just 1 day. I did not drink that Sunday morning of the Competition. In the afternoon I had an alcoholic seizure in front of my 3 children, my wife doing CPR, trying to save my life. That was March 1, 2020. That was it, that was my rock bottom. I ran to the Lord and haven't looked back. Two days after I left the hospital I went to Metro Hope.

Today I have been sober for 17 months. I am the Lead House Manager at New Hope Center. I am passionate about my relationship with Jesus Christ and love to share His Light with every man that walks through our doors. My family is being restored! My wife and I started a business this year, New Hope Family Child Care Center. I am a father who

participates in my children's lives. I have recently become a pastor under my mentor, Pastor Dan Cole, a teacher and pastor at New Hope Center.

Life is great! Life is phenomenal because I'm not focused on myself anymore, I'm focused on the One that truly cares for me, and that is Jesus Christ!

Life Verse ~ Psalm 9:9-10

"The Lord also will be a refuge for the oppressed, a refuge in times of trouble. And those who know Your name will put their trust in You; For You, LORD, have not forsaken those who seek you."
